

CORPORATE PROFILE

India's fastest growing integrated logistics company in the private sector

Introduction

We take the pleasure to introduce **ABHINAV TRANSPORT INDIA PVT. LTD**, **AXPS (FREIGHT) PVT. LTD** and **ABHINAV LOGISTICS PRIVATE LIMITED** as an India's leading transport and logistics solutions company, completely focused on providing high quality end-to-end logistics solutions to corporate customers as well as individuals.

With a combination of expert professionals, we are committed to give reliable and on-time delivery services, specialize in **FTL** (Full Truck Load), **PTL** (Part truck load), small packages, **superfast** cargo and ODC. Our area of expertise lies specifically in the **Road, Rail** and **Air** freight movement, which gives our clients uncompromised and fast delivery network. In addition, we provide **warehousing** , **3PL** and many more value-added services.

We believe that no company is too big or too small. Hence, with our industries expertise and hard-working team, we can offer and deliver any kind of Tailored Solutions & Logistic needs. At Abhinav, it is our aim to provide every customer with tailor-made operations.

Company was established in 1998 under the stewardship of our Chairman **Mr. Vidyaprasad Chaturvedi**, with a single truck taking a vision to build the national wide transport & logistics company. Over the years, the Company has grown in leaps and bounds and created its place as one of the reputed logistics and transport solution provider. Within a short span of time, we have emerged as the one of largest fleet owner of commercial vehicles in India's private sector with its **own fleets of 85+ vehicles**.

In a span of 20 years, we has consistently explored various ways to bring premium value to the customer, always setting benchmarks in quality of service and customer satisfaction. With a large group of employees and associates, we are committed to provide valuable and satisfactory services to various clients.

Clients such as Hindustan Unilever, ITC Limited, Galaxy Surfactants Ltd, CavinKare, Patanjali Ayurveda, Wipro, Emami, Jyothi, SRF etc. are a great testimony to our services.

VISION

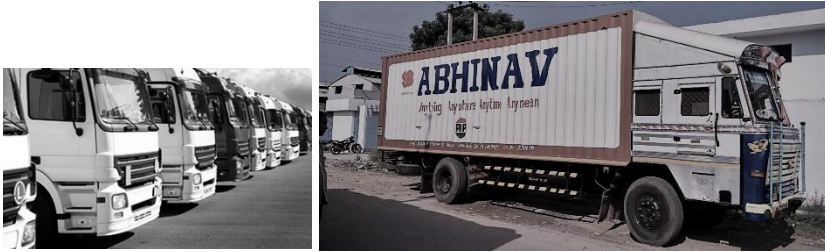

To be India's leading and most preferred integrated logistics & transportation service provider by providing high quality and reliable shipping services.

MISSION

To serve our customers with creative, cost-effective and transparent solution that continuously delights & exceed customer's expectations, enhancing stakeholder profitability

Part Truck Load (PTL) / Less Truck Load (LTL)

- Part load (PTL) service provider covering PAN India
- Pick up your goods from different suppliers and consolidate into one shipment to save your expense at destination
- Pickup and delivery facility for as small as **1 KG** parcel on available network.
- Multicity consolidation. Well-connected network accessible through remote locations.
- Booking all types of goods in all shapes & packing, from light to heavy.
- Reduction in transit times and multiple handling of shipments
- Value Added services: warehousing capabilities ensure complete transit with safety

LESS THAN TRUCKLOAD (LTL) SHIPPING

Transport of goods that do not take up the entire available space on the truck.

LTL combines shipments from multiple customers.

Typically slower delivery time; less expensive.

Super Fast Cargo Services

- Pickup and delivery facility for as small as 1 KG parcel on available network.
- Time bound parcels services.
- Deliver the consignments between 68 –75 Hours at particular locations less than Railway cost

Full Truck Load (FTL) / Full Container Load (FCL)

- We offer all types of Full truck, container, ODC and project loads bookings from our existing booking branches to any part of the country
- Safe, reliable, efficient and fast services offering peace of mind
- Special contract terms based on assured monthly business with customized MIS
- Centralized single point billing for multi-locations business
- Mostly Offices at both, origin and destination enabling better operational control, lower cost and higher margin
- Door-to-door shipments across all continents
- Dedicated vehicle for point-to-point.
- Direct, Safe and Secure movement.
- Fastest Transit time in the Industry.

FULL TRUCKLOAD (FTL OR TL) SHIPPING

Transport of goods that fill up a full truck, or a partial load shipment occupying an entire truck.
Bulk goods are typically shipped by FTL.

FTL is contracted to one customer.

AIR FREIGHT

- Air freighting is commonly used by companies who works with short lead times, or advance service Level.
- Air transportation is best suited for small, high value, items or emergency shipments that have to travel long distance.
- Reduces lead time.
- Cover all the Major Domestic Airport.
- Economical Rates.

RAIL CARGO

- Train cargo service through the world's second largest railway system, with proven credentials for efficiently handling huge bulk shipments like FMCG products, Raw material and industrial finished goods.
- It is relatively faster than road transport

We are well equipped to manage and operate warehousing functions of receipt, unpacking, unit packing, put away, pick, pack, load and dispatch in accordance to agreed. We follow a world-class Warehouse Management System (WMS) process which can be tailored to suit all aspects of specific customer requirements.

- We offer Warehousing & Distribution Management solutions to manage your goods.
- Rental Facilities: Shared or private office and meeting spaces with or without warehouse facilities.
- **3PL:** Contract logistics with dedicated space and manpower specifically tailored to meet your needs; seamlessly acts as an extension of your own distribution operation.
- **Cartage & Freight:** Local or long-distance delivery to customers with our own trucks or with partner alliance
